

# More than 3,000€ for your health!

# KKH

## Benefits and services for families

Including everything that is important – with a value **exceeding 2,000 €**. For example, we cover the costs of the meningococcal B vaccination for children and adolescents, the additional “U10”, “U11” and “J2” child health and development examinations and HPV vaccinations for everyone up to the age of 26.

## Services for pregnant women and expectant families

From antibody tests to midwife on-call service: For selected services, we will reimburse you under certain conditions **up to 500 €**.

## Online coaches

Move more, eat better, less stress: With our quality-tested online courses **worth 200 €** you can do something for your health anytime, anywhere.

## Osteopathy

You would like to make use of **Osteopathy**? We will subsidise three sessions with up to 50 €, i.e. a **maximum of 150 €** per calendar year.

## KKH bonus

Take good care and feel the benefits! With just three easy-to-obtain health certificates, newcomers aged 16 and over receive a **bonus of 100 €**.

## Vitality tariff

**100 € instant premium** when getting started. Ideal for those who do not require full, inpatient hospitalisation.

## Professional teeth cleaning

Sparkling clean and healthy teeth: we subsidise additional dental care once per calendar year with **up to 60 €**.
